

St. Paul's Vision & Mission Statements

Vision Statement

St. Paul's Senior Services will be the most outstanding and innovative provider in California, dedicated to serving the physical, spiritual, and social needs of the elderly, fostering a culture of diversity and inclusion consistent with personal and affordable choice.

Mission Statement

St. Paul's is spiritually guided in its multi-disciplinary approach within our changing environment. We provide care which addresses the varied social, physical, spiritual, ethic, economic, and cultural needs of those we serve.

As a senior care program, it is a State regulation that all St. Paul's employees pass a background check and drug test.
