

St. Paul's Senior Services has been caring for San Diego seniors since 1960. We are a non-profit, non-denominational organization dedicated to serving the physical, spiritual, and social needs of seniors. Our communities and services work together to ensure that seniors obtain the help they need, whether it is active independent living, personal care, memory support, skilled nursing care, day programs, or even short-term guest stays.

With communities and services in Bankers Hill, Chula Vista, and El Cajon we are proud to offer resources to anyone seeking senior care. Call us! If we can't help you, we'll find someone who can.

St. Paul's Manor is our active retirement living community located in beautiful Bankers Hill.
