TESTIMONIALS

“Pastoral care makes a big difference - it’s listening, letting people talk, helping them get frustrations out of their system.”
-Beth Casey, St. Paul’s PACE participant

“There is comfort in having a caring pastor - not only for appropriate ministry in times of trouble, sickness, hurt, or grief, but also for spiritual counsel as may be needed in everyday life.”
-Charles Hudgins, St. Paul’s Manor resident

"I always enjoy Bible study - the more you learn, the better you will become. Chaplain Bill Martinez leads bible study in Spanish and English, and he does a great job of explaining the scriptures."
-Mary Johnson, St. Paul’s PACE participant
