

NOTES FROM THE DIRECTOR'S DESK

Happy September!

Welcome to the start of our 2019-2020 school year. To our new families, welcome to St. Paul's. A new school year means some new classroom changes. We welcome new teachers Ms. Patty and Ms. Valeria to St. Paul's Child Care. We have also moved some teachers around to teach different classrooms. While our infant center is at full capacity, our preschool program still has room for students. Our "refer a friend" promotion is still going on. If you refer a student, you can receive a free month of tuition after their third month of enrollment. If you haven't done so already, please turn in your child's annual physical and updated immunization records as soon as possible.

Our fall picture day is just around the corner, September 18th at 8:30am.

Please take a look below for important dates and some announcements. Looking forward to a great school year! Feel free to contact me should you have any questions.

Thank you-Miss Vanessa

OUR TEACHERS

We are working on a board about the teachers here at St. Paul's. Over the next month, feel free to stop and take a look at our teacher board near the office, this will give you a chance to put a name to face and learn a bit about each teacher.

INTERGENERATIONAL

Our intergenerational program has been having fun creating crafts and enjoying activities together. Our butterflies, dragonflies, busy bees and mighty hornets' classes are currently attending intergenerational. We are giving the roly-poly class a little more time to adjust before sending them to visit our senior friends.
