

The Palomar
Memory Care
330 Square Feet

The Palomar is designed specifically for our residents in the Reflections Memory Support program. St. Paul's has designed these "homes" based on proven memory support concepts which highlight individual preferences and choices where our Residents have a private room with an attached private bathroom equipped with grab bars and emergency response system for maximum safety. Approximately 10 Palomar suites are connected to a large family living and dining area with access to a private and secure garden.
