

St. Paul's Senior Services Statement of Good Health

Dear Volunteer:

Thank you very much for becoming a volunteer at St. Paul's Senior Services. Prior to your start date at St. Paul's, please read and complete this form.

Most licensed programs in the state of California are governed by the California Department of Social Services, Title 22 Regulations.

Those regulations require that all personnel, including **volunteers** be in good health and be physically and mentally capable of performing assigned tasks. The good physical health of each volunteer who works at St. Paul's needs to be verified by signing a statement affirming that he/she is in good health.

STATEMENT OF GOOD HEALTH

I understand that in order to ensure the health and safety of residents, seniors, children and employees of St. Paul's Senior Services, and to meet Title 22 regulations, all individuals spending time in St. Paul's various programs and facilities must have on file a statement of good health.
