Tony Abril
*St. Paul’s PACE Food Services*

Congratulations to Tony. 30 years of service at St. Paul’s!
St. Paul’s Senior Services wrapped up a successful fiscal year, even as we continue the fight against COVID-19 and its new “Delta Variant.”

Our COVID-19 team continues to meet several times each week to take any necessary actions to maintain safe environments for our seniors, our child care program, families and of course our employees. Without healthy employees, we cannot fulfill our mission! I want to take this opportunity to thank the 95 percent of our employees who have willingly received their vaccination. We all did it for someone we love; our family, friends, residents/participants, and our co-workers.

Recently, state decisions have been made that impact St. Paul’s. For example, all of our employees were required to be vaccinated or present an authorized ‘waiver” by September 30, 2021. In my 40 years as a registered nurse, I have never before seen such a difficult decision put upon employees. My hope is that we, as a caring community, will get past this difficult time and be able to keep all of our incredible staff. At St. Paul’s, we have built our reputation on quality employees who love what they do. Please help us support our employees by offering them kindness and appreciation, not only now, but always.

This is also a time of growth for St. Paul’s. We have new programs and services in the pipeline and we are seeking more than 90 new staff positions. If you, a friend or neighbor know of anyone seeking a job, please go to our website at stpaulseniors.org/our-careers/. We have positions throughout San Diego County in many fields from administration, finance, dining services, clinical and everything in between!

Thank you to each St. Paul’s employee for your commitment to those we serve. I am so grateful to work beside you.

Good health and wellbeing,

Cheryl

COVER STORY:
Congratulations to Tony Abril for reaching 30 years with St. Paul’s! Tony is the Dietary Coordinator at St. Paul’s PACE and a beloved member of our team. In his honor, St. Paul’s PACE Reasner surprised Tony with a celebration where he received a special award, a 30-year pin, and many accolades for his hard work and great attitude over the years. Please join us in congratulating Tony on many wonderful years with St. Paul’s.
St. Paul’s Plaza Welcomes Congresswoman Sara Jacobs

In the summer, St. Paul’s Plaza had the privilege of meeting with Congresswoman Sara Jacobs, who represents California's 53rd congressional district here in San Diego County. St. Paul’s CEO Cheryl Wilson gave Sara a tour of St. Paul’s Plaza before sitting down with our executive team to discuss how COVID-19 has impacted our residents and St. Paul’s PACE participants and how future legislation could better support older adults. St. Paul’s is grateful that Sara took the time to understand what our seniors have been through with COVID-19 and how we can work together to improve their lives at the local and national level.

Supervisor Fletcher and Omar Passons Visit Talmadge Gateway

St. Paul’s PACE’s very own participant Bruce Carron organized and led tours of Talmadge Gateway, one of our supportive housing partnership communities, for Supervisor Nathan Fletcher and the County Director of Homeless Solutions, Omar Passons. Bruce, a formerly homeless senior, coordinated these tours with the goal of encouraging local decision makers to allocate new county funding to go toward similar supportive housing projects for homeless individuals, especially for older adults who comprise one out of every four unsheltered homeless individuals.

We are grateful for the participation of Serving Seniors and Wakeland Housing & Development Corporation on these tours as we work together to find solutions to homelessness.
When the Roving Clinic 2.0 arrived in late July 2021, our clinical team could not wait to take it out on the road. The possibilities this vehicle provides for St. Paul’s PACE participants and the community at-large are endless.

The inspiration for the Roving Clinic began at the start of the pandemic in March 2020. St. Paul’s PACE needed a safe way to serve homebound seniors who were at risk of contracting COVID-19, so the clinic team transformed a transport van into a “clinic-on-wheels.” The success of this vehicle inspired St. Paul’s to start raising funds for a fully equipped Roving Clinic.

Thanks to many generous donors, including a large donation from Dick and Dorothea Laub, the Roving Clinic 2.0 was born. Now, St. Paul’s PACE is able to take the clinic out into the community to serve seniors in a safe and secure environment. It will be able to facilitate medical provider visits, health fairs, lab draws, seasonal vaccinations, physical exams, infusions, wound care and so much more.

In August, the St. Paul’s PACE Roving Clinic had its first outreach appearance at Silvercrest in Oceanside! Our clinic team provided blood pressure checks for their residents and gave tours of our clinic-on-wheels. Since then, the Roving Clinic has made many appearances at outreach events throughout San Diego County, and our team looks forward to new possibilities of reaching seniors in both rural and urban communities.

Roving Clinic Features

- Fully-extending exam chair
- Wheelchair lift
- Restroom
- Medical equipment
- Storage
- Computer health record system
- Special lighting
- Blood draw station
- Sinks for hand washing

Two St. Paul’s PACE participants exchange a laugh.
St. Paul’s is growing and we have many positions in a variety of departments, including senior care, dining services, facilities, administration, finance and more.

Benefits of Working at St. Paul’s:

1. The mission! Caring for seniors and giving back to the community.
2. Performing a job that improves the lives of others every single day.
3. Generous 403B match.
5. Life insurance.
6. Signing bonuses for many positions.
7. Locations throughout San Diego County.
8. Flexible shifts available.
9. We take pride in promoting from within.
10. We offer educational reimbursements up to $3,000/year.
11. Leadership and many other free training programs to support your career.
12. We have a safe and healthy work environment to keep you safe from COVID-19.
13. For your safety, all vendors on our campus will be vaccinated as of 9/30/21.

Shiela Diaz, LVN, Infection Prevention Nurse at St. Paul’s Skilled Nursing and Rehab Center, John A. McColl Family Health Center

Shiela became a Licensed Vocational Nurse because of the deep desire she had to make a difference and create a significant positive impact for those who need help when they are most vulnerable. She said, “I have high regard and respect for the elderly. I have the privilege to work at one of St Paul’s facilities, so this is my time to give back and provide the best possible care to our beloved seniors who paved the way for us.”

When Shiela started working for St. Paul’s, she was a Charge Nurse working the graveyard shift. Since then, she has had the opportunity to fill the role of Case Manager, has received the “Nurse of the Year” award, and is now serving as the Infection Prevention Nurse to provide routine COVID-19 testing for staff and residents.

Shiela enjoys working for St. Paul’s because she believes St. Paul’s stays true to their mission and vision of providing the best care possible to patients. “I am extremely grateful that I work with people who are committed to making a difference and passionate supervisors who give so much of themselves.”

Alain Jean, Certified Nursing Assistant (CNA), St. Paul’s Villa

Alain Jean has been a CNA for two years and is currently pursuing his goal of becoming a Registered Nurse or Advanced Practice Nurse. He says that St. Paul’s is helping him achieve this goal by being flexible with his schedule so he can attend school while also helping him pay back his school loans.

While Alain helps his residents complete daily tasks of living like dressing, bathing and feeding, he said that the seniors encourage him to continue reaching for his goal of becoming a Registered Nurse. “I enjoy my job because I like to help the seniors become more independent…and they’re always willing to tell me little stories, some of them even encourage me to keep going with my education.”

Alain sees St. Paul’s as more than just a place to work; to him, it is a place to grow, learn and experience new opportunities. “St. Paul’s is an amazing place to work,” he said. “They encourage career growth, treat people with respect, provide equal rights, and they give staff the opportunity to learn new things every day.”

Eric Feeser, RN, Clinic Supervisor at St. Paul’s PACE San Diego

After working at St. Paul's PACE as a part-time employee through another company, Eric knew he wanted to join the team permanently to make a long-term impact. He spent several years in leadership roles at other companies before coming back to PACE as a clinic nurse.

“St. Paul’s PACE hired me on knowing that I was previously a supervisor, but was willing to work in a clinic nurse role,” said Eric. “They helped me grow, they watched what I did, gave me feedback and I kept working until I had an opportunity to lead. This organization has always helped me be better, that’s why I strived to return.”

Eric entered the role of Clinic Supervisor in the midst of the pandemic, when the senior care field was experiencing so many unknowns. He thanks his team at St. Paul’s PACE for their dedication and support during such a difficult year in health care.
RECOGNIZE A ST. PAUL’S TEAM MEMBER

The best way to help St. Paul’s grow and recognize our amazing staff is to write a positive Yelp review and mention them by name. Your testimonial could be featured in our monthly newsletter!

Scan the QR code below and submit your Yelp review. If you mention a staff member by name in your review, we will give them a small token of our appreciation for their outstanding work.

St. Paul’s Holiday Prayer Breakfast returns LIVE on November 18th…can we hear an Amen?!?

Save the Date! St. Paul’s Senior Services is happy to announce that on Thursday morning, November 18th, the annual Holiday Prayer Breakfast will return as an in-person event with reflections, blessings, music and breakfast.

Once again, we will be inviting leaders from the various religious communities to come and share blessings with us as we enjoy a delicious breakfast. And as a special treat, our President & CEO Cheryl Wilson will be our keynote speaker.

We look forward to sharing in this celebration of faith with you!

For sponsorship opportunities or more event details, please contact Craig Smith at 619.239.6900 or csmith@stpaulseniors.org.
St. Paul’s Wins San Diego’s Favorite!

St. Paul’s has been awarded "San Diego’s Favorite" by the San Diego Union Tribune in two categories!

Congratulations to:

St. Paul’s PACE Home Care Team for winning "Favorite Home Care"

St. Paul’s Villa for winning "Favorite Assisted Living Community"

We are so proud of our staff who make this possible and celebrated them with cookies and refreshments! Thank you to our community for voting for us.

St. Paul’s Villa
Favorite Assisted Living Community

St. Paul’s PACE
BEST Home Care Provider (Non-medical)

St. Paul’s Villa
Favorite Assisted Living Community
A family member of a McColl patient provided lunch for the staff as a thank you for all of their hard work during COVID.

A virtual Memorial Day event was hosted by St. Paul’s employee and Retired Navy Veteran Stewart Gaddy, as well as St. Paul’s CEO Cheryl Wilson and Father Jason

Congratulations to our childcare graduate class of 2021!

Residents and staff bid farewell to Father Jason Samuel at the Manor.

Thank you to the volunteers and staff who helped make our vaccination clinics a success.

Manor residents celebrated summer with an outdoor BBQ.
Plaza residents celebrated Grandparents Day by giving advice to others.

Staff and residents at the Villa put on their annual Santa Summer Solstice skit.

Villa resident Flo celebrated her 107th birthday this summer!

St. Paul’s COVID Super Team were treated to a special Padre game from the Board of Directors.

St. Paul’s outreach team provided lemonade and snacks for residents and staff at McColl Nursing and Rehab Center.

Villa residents got temporary tattoos at a ‘Tattoos and Booze’ party.

Plaza residents enjoyed a visit from ‘Sweetie’ a therapy horse.
On Saturday, August 14, 120 enthusiastic volunteers gathered at Trinity Place, the latest supportive housing community partnership between St. Paul’s Senior Services and Wakeland Housing & Development Corporation. Volunteers staged 73 apartments for new senior residents, supported with funds contributed by generous donors.

Before the staging work began, volunteers were treated to a continental breakfast and a short program. During the program, St. Paul’s President & CEO Cheryl Wilson and Wakeland President & CEO Ken Sauder were presented with a San Diego County Proclamation, followed by a blessing from The Rev. Terry Shields Dirbas from All Souls’ Episcopal Church.

Once the staging began and volunteers set up the apartments with new bedding, kitchen wares and bathroom accessories, Thomas, a supportive housing resident from Talmadge Gateway and his daughter Sasha, came around and offered volunteers snacks and water. Thomas shared his deeply personal and powerful story of how living at Talmadge Gateway changed his life: “To have my own place, my dignity back, and to be able to re-enter the workforce so my daughter can be proud of me again, means everything to me.” We are sure the new residents of Trinity Place will feel the same empowerment, joy and hope that Thomas experiences at Talmadge Gateway.

Some residents started moving into their homes in September, many of whom will receive case management and healthcare services from St. Paul’s PACE as part of the “supportive” housing services helping these seniors make the transition from the streets to home.

The next supportive housing community from St. Paul’s and Wakeland Housing will be Ivy Senior Apartments, which is scheduled to be ready in November. St. Paul’s will again host a staging event for volunteers to transform 52 empty apartments into new homes for unhoused seniors in San Diego. If you would like to be part of this fun event, please contact Craig Smith at the Foundation at 619-239-6900 or csmith@stpaulseniors.org.

After Trinity Place and Ivy Senior apartments are full, St. Paul’s PACE will have 305 formerly homeless seniors in permanent supportive housing apartments. Thank you to all our dedicated, loyal and passionate volunteers and donors for making this incredible achievement possible.
Launches Manor Renovation Campaign

St. Paul’s Senior Services celebrated SUMMERFEST 2021 “in spirit” this year due to the ongoing challenges of hosting a large, in-person fundraiser during the pandemic.

Proceeds benefit the renovations at St. Paul’s Manor, an affordably priced community for seniors of all faiths, ethnicities, races, genders and cultures. Help us continue this tradition. Your contribution will cover such items as new lighting, air conditioning, upgrades to infrastructure and much more.

Thanks to the generosity of so many sponsors, this year’s campaign got off to a strong start. We have a matching gift for up to $25,000 from our friends at CareVention HealthCare. Donate now and see your gift double.

Go on-line to: https://www.stpaulseniors.org/event/summerfest2021/

St. Paul’s Senior Services has experienced the loss of several longtime supporters. Each in their own way, they dedicated themselves to the mission of St. Paul’s and were instrumental in our success.

Joyce Frye
A retired school teacher, Joyce was the President of Love Uniting Volunteers (LUV) for nearly 20 years. Joyce loved the fellowship of LUV and she was a passionate champion of St. Paul’s mission. Joyce made sure LUV sponsored Holiday Gift Bags that were given to all St. Paul’s residents because “this may be the only gift they receive.” A regular member of the LUV Gala planning committee, Joyce always made the first underwriting gift, then sponsored a table and gave the opening remarks at each event.

Marcia Thaxton
It is not an understatement that Marcia was with St. Paul’s at the beginning. Her husband, Robert Mackie, was the first administrator at St. Paul’s Manor. One of her favorite stories: “Bob said that during each work day, he was surrounded by 100 mothers-in-law.” As the First Vice President of LUV, Marcia loved throwing a party. Like Joyce, Marcia attended every planning committee meeting, managed the invitation stuffing party and she always sponsored a table.

Barnabas Hunt
Brother Barnabas Hunt along with Brother Andrew Rank are the last two surviving members of the Society of St. Paul’s, a monastic order dedicated to care of seniors in need. “Barnabas was always the rock of clarity of vision, even in times when the path was not clear,” says Andrew. Having served as a nursing home manager for many years, he knew the challenges of being a healthcare provider. Brother Barnabas brought that experience with him as he served on the Board of Directors for over 10 years and provided Episcopal Communion services to the Manor residents.

Marie Tuthill
A longtime member of St. Dunstan’s, Marie was dedicated to softening the challenges others endured. Marie loved fellowship and aligning with a purpose greater than oneself. She adored Joyce and the LUV charter. Marie chaired the LUV Gala auction committee for a number of years and funded a countless number of silent auction baskets. She was serious about supporting her non-profits, and she had fun doing it.

Jerry Moto
Jerry came to St. Paul’s Board of Directors more recently. Having been a member of St. Paul’s Cathedral for many years, Jerry had an interest in the care and well-being of seniors in the San Diego community. With his background in the hospitality industry, Jerry knew a lot about organizing a party for hundreds of guests. With no hesitation, he joined the SUMMERFEST planning committee and helped St. Paul’s start a new type of fundraiser.
St. Paul’s Wish List

Please contact Stewart Gaddy at 619-239-6900, if you wish to buy the item or make a charitable contribution towards the cost of an item. Your support is greatly appreciated!

John A. McColl Family Health Center - $1,380 total (see details below)
• 72” SMART TV - $600
• Aquarium Kit - $400
