St. Paul's Senior Services Administrator Awarded Professional Credential

Brian McBee recognized by the American College of Health Care Administrators

SAN DIEGO, CALIF. (May 6, 2019) – St. Paul's Senior Services announces that Brian D. McBee, CNHA, CALA of Tierrasanta, was recently awarded a Professional Credential from the American College of Health Care Administrators (ACHCA). McBee, a licensed and certified Healthcare Administrator for St. Paul's Senior Services Nursing and Rehabilitation: John A. McColl Family Health Center, recently advanced to a Fellow of the ACHCA. The Fellow distinction is the highest membership status one can gain in recognition of professional achievement and continuous adherence to the ethical and professional standards of ACHCA.

Fellowship requires a record of participation in professional continuing education, suitable formal education, community service, and at least two years of voting membership. ACHCA's nationally recognized Fellow status confirms a member's dedication to the post-acute and aging services community.

"I am honored to receive this recognition," said McBee. "Working with seniors is not just a job for me and the St. Paul's team; it's a commitment to improving their quality of life. Our nurses have passion and they focus on every single resident's specific needs. ACHCA has increased my professional knowledge so I can fill my role more effectively."

A member of the American College of Health Care Administrators (ACHCA) since 2011, McBee has more than 15 years of professional experience in senior healthcare possessing an outcomes-based, proven track record in senior service operations. McBee has provided oversight for multiple senior service communities in Ohio, Maryland and now California. These communities offer a wide range of services, including independent living, assisted living, Alzheimers/memory care, sub-acute skilled nursing, and in-house dialysis. A multiple award recipient of the Eli Pick Facility Leadership Award, communities under McBee's direction, have consistently achieved and maintained the industry's highest possible CMS Five Star Quality Ranking.

Founded in 1962, the ACHCA is the only professional association devoted solely to meeting the professional needs of today's long-term care administrator and executive. For more information about ACHCA, contact the national office at 800-561-3148 or visit www.achca.org.
