St. Paul's Senior Services Receives National Leadership Award

St. Paul's Manor honoured with Eli Pick Facility Leadership Award

SAN DIEGO, CALIF. (Feb. 13, 2017) – St. Paul's Senior Services has just been awarded the Eli Pick Facility Leadership Award from the American College of Health Care Administrators (ACHCA). Last year, only 284 of the nation's 15,600 facilities received this honour.

"The American College of Health Care Administrators holds the standard for senior care," said Brian D. McBee, administrator for St. Paul's Manor and John A. McColl Family Health Care Center. "I am very proud of my team for achieving and maintaining such an impressive standard.

The Facility Leadership Award was introduced by one of ACHCA's most revered leaders, the late Eli Pick, in 2008. Eli worked with colleague, John Sheridan of eHealth Data Solutions, to develop an awards program that uses data driven criteria to objectively identify high-performing skilled nursing facilities and the leaders who make them excel. Today, Eli Pick Facility Leadership Award recipients are identified using publicly collected data by the Centers for Medicare & Medicaid Services (CMS), which is pulled and evaluated by an independent third party. Administrators of those high-performing SNFs are celebrated and honored during ACHCA's national awards ceremony held at the annual Convocation and Exposition each spring.
