

# VISITORS TO OUR COMMUNITY

New regulations as of 2/7/2022

## INDOOR VISITS

- (1) Guests must be fully vaccinated.
- (2) **or** for unvaccinated or incompletely vaccinated visitors, we require proof of a negative SARS-CoV-2 test where the specimen collection occurred within one day of visitation for antigen tests, and within two days of visitation for PCR tests and for which the test results are available at the time of entry to the facility.

## OUTSIDE VISITS

If a visitor does not meet the criteria above they may meet outdoors.

Such persons must wear a KN95 mask and physically distance from facility personnel and other patients/residents/visitors that are not part of their group at all times during the visit.

Should visitors have questions, please contact the administrator of this building or refer to the latest Department of Public Health link.
